V-space

V-Space is Village's new online community.

- Lead management and distribution
- Interactive and customizable home page with options such as a rotating company photo album
- Drip marketing with step-by-step custom capabilities, allowing you to really personalize messages
- Event creation and management with easy-to-use tracking
- File storage for sharing important documents with office staff and agents
- Accounting reports for your agents with confidentiality access rules (available 2011)
- Full message center
- Message boards
- e-Concierge
- Have/Wants dating service
- Listing integration including 'coming soon' capability!

Your next steps

Login using the user name provided.

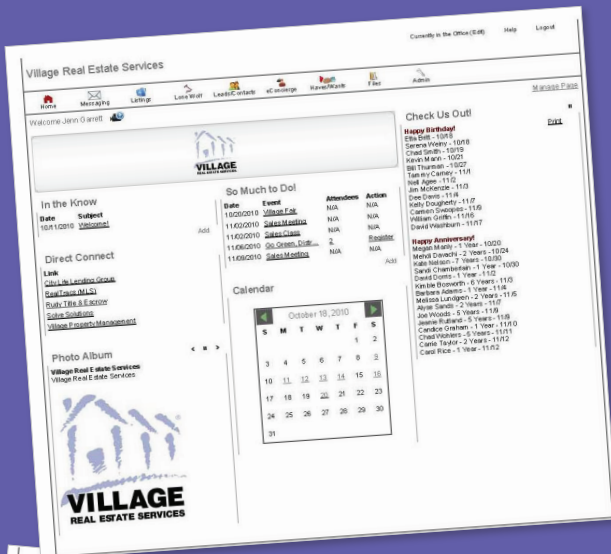

You will receive your password via email.

First things first - go to www.VRESafe.com

- Play around with customizable home page!
- Go to *Admin* and update your profile.
- Peruse *Info* - it has basic info about you!
- Set how you receive messages through *Messaging* - it is completely up to you how to receive system messages.

Next:

- Look for mini classes on how to make the new V-Space a tool to streamline your business!
